

**"VIEWPOINTS IN RHEUMATOLOGY"**

**BOLZANO, 13th-14th October 2025**

**Eurac Research - Viale Druso 1, Bolzano**

**RATIONALE**

Optimizing the constant growth of medical knowledge requires integrating diverse skills within and across specialist branches. Embracing new technologies and approaches in clinical practice and research is essential for addressing systemic diseases effectively. This international event for young specialists aims to build a robust network to support ongoing growth, fostering advancements in both clinical care and research.
